

TC 4.03 Honors & Awards Report

2016 Annual Meeting, St. Louis

George B. Hightower Award:

- *Recognizes excellence in volunteer service in the area of Technical Committee, Technical Group, and Technical Research Group activities, excluding Research & Standards (which have separate awards).*
- **ACTION ITEM:** Nominations are due September 1 each year. TC 4.03 tends to be very active in Research, and research participation is excluded from the Hightower Award because there is a separate "Service to ASHRAE Research" award. Same with Standards participation. Nonetheless, I would like to submit our strongest candidate each year. Please help me identify a qualified candidate.
- Past winner from TC 4.03: Stephen Duda (2015); John Carter (2014).

Service to ASHRAE Research Award:

- *Recognizes excellence in volunteer service in the area of Society research. Desirable qualities include authorship of RTARs and Work Statements, participation or chairing of multiple PMS and PES, and Research subcommittee work including Research Subcommittee Chair. This award is for a volunteer in support of Research, not a paid researcher and not a donor to ASHRAE Research.*
